# HIT & MISS

Journal of the Western Antique Power Associates

## PRESIDENT'S MESSAGE

BY RON HASKELL

For any of you that missed the La Verne Cool Cruise Car Show, I think it was one of the best shows I have attended in a long time. We had a very good display spot, seemed to be near the center of everything, weather was good maybe even a little cool, and great participation by the WAPA gang. There was a very large number of cars and many of them were not the same we see at other car shows. The crowd was big and lots of good questions and thanks for displaying. I hope we are invited again.

The Highland Citrus Festival went well also with a very good showing by WAPA members, and the lunch prepared by Lance Wilson and his crew was excellent.

In spite of an over zealous police cadet or two, the Chino Corn Feed Run went well. They said the show cars were cut off at 1,000 but they were

everywhere and beautiful as usual. WAPA was well represented with engines and members, we even had a guest display with a Detroit 1-71 gen set, a very rare engine. The crowd didn't seem as large as in the past, but still a lot of spectators, and the complimentary lunch provided by the Kiwanis was good. A good time was had by almost all (sorry Bob Smith).

We are also in the middle of hay rides at Cal Poly, a big thank you to the drivers who are volunteering their time to haul the school kids around the cornless field. Before the next meeting we will have our show with the LA Live Steamers at Griffith Park, for those of you who didn't attend last year it was a blast seeing an area most people don't get into and riding the trains around their beautiful area. Hope to see many of you there.

Remember to be safe.

## UPCOMING EVENTS

BY ROGER HAHN

### Antique Truck Historical Society Truck Show and Swap Meet

May 5, Saturday

Setup: 7:00 a.m.

Showtime: 9:00 a.m. to 3:00 p.m.

The Antique Truck Historical Society once again welcomes WAPA to their annual event at the Orange Empire Railway Museum. The museum is located at 2201 S. A Street, Perris, CA. In addition to the trucks, this is one of the premier train museums in Southern California.

WAPA has been attending ATHS events since the 1990's at Cal High in Whittier, March Field, California Speedway, and Perris.

# TULARE 2019

## BY PAUL MONTGOMERY

Hello Farm Fans,

Got \$5.00 in your pocket and full tank of gas? Then come to Tulare for a full weekend of fun at the Vintage Farm Equipment Show. This event has something for everyone but the main attractions are the swap meet and live auction. Both with a wide variety of farm and engine related items with great deals everywhere. There were lots of vintage tractors and stationary engine on display by several Central Valley clubs. While walking the fair grounds with my newly printed WAPA t-shirt with the large club logo on the back I was approached by several people asking where our club display was. The Vista engine guys were very friendly and welcomed us to join them in their spacious display area any time we want. And of course there was the wonderful Cowboy Cobbler.

Grazie, Paulo
