Newsletter of the Western Antique Power Associates

President's Message By Bob Smith

I just returned from Carey Stockton's funeral. What an outpouring of support and love from all the people there. Carey touched the hearts of a lot of people throughout his lifetime. A devoted family man, a hard-working provider, and a real good friend to many across the country with his affiliation with Red Power. He was also a dedicated member of WAPA, serving as vice-president for 3 years and attending many of the shows with his wife Sue and daughter Becky.

Carey's passing was a shock to us all and he will be deeply missed. That is why I am dedicating this issue of the Hit & Miss to the memory of Carey Stockton. Look at the pictures and reflect on the good times you had with Carey. The smile on his face. The love in his heart. The random acts of kindness and helpfulness.

Rest in peace Carey and you will forever be remembered in our hearts.
