Newsletter of the Western Antique Power Associates

President's Message by Bob Smith

Shows, shows, shows. We have had a good run of shows in April and May. And a good showing of WAPA engines and tractors along with a very good turnout of the public. We will slow down a bit with only one show in June and one in July. Keep an eye on the calendar of events to plan your activities around these 2 events.

Work has been progressing around the building at Cal Poly. The large brush pile in front of the building is gone. Weeds have been mowed down and now it looks like the electricity install is about to start. Once the outlets are in, we can start arranging equipment where we want it for maximum efficiency.

I had a good visit with Bob Pettis a couple of weeks ago. He came down from Washington for the dedication of the new Rose Float Building. He brought his son and grandsons with him so I had the 2 tractors he donated available for them to have fun and drive around.

The end of the month I am preparing to take a trip back to Missouri to visit with my sister and see what kind of treasures I can bring back. I have a load of engines to transport for Tommy Turner in Kentucky. He agreed to pick them up in Missouri once I get them there. Heading to Ron Davis' place to pick them up.

Hope you all have a safe Memorial Day and see you at a show.

Cal Poly Work Party

Next WAPA Board Meeting

June 4, 2022

9:00am

at Cal Poly

WAPA Fun Day

May 14 was the date for the WAPA Fun Day at the California Citrus Park in Riverside. Dutch Bankston, Jim Treadwell and Ron Haskell ran the 200 HP Western engine. The weather was on the warm side, but we had plenty of shade to be comfortable. Bob Smith brought the lunch from Juan Pollo restaurant with plenty of grilled chicken, rice, beans, salsa, tossed salad and tortillas. It was for sure a WAPA "Fun Day".

Steve McQueen Car Show

June 5

Setup Begins at 6:30 am

Showtime 8:00 am until 3:00 pm

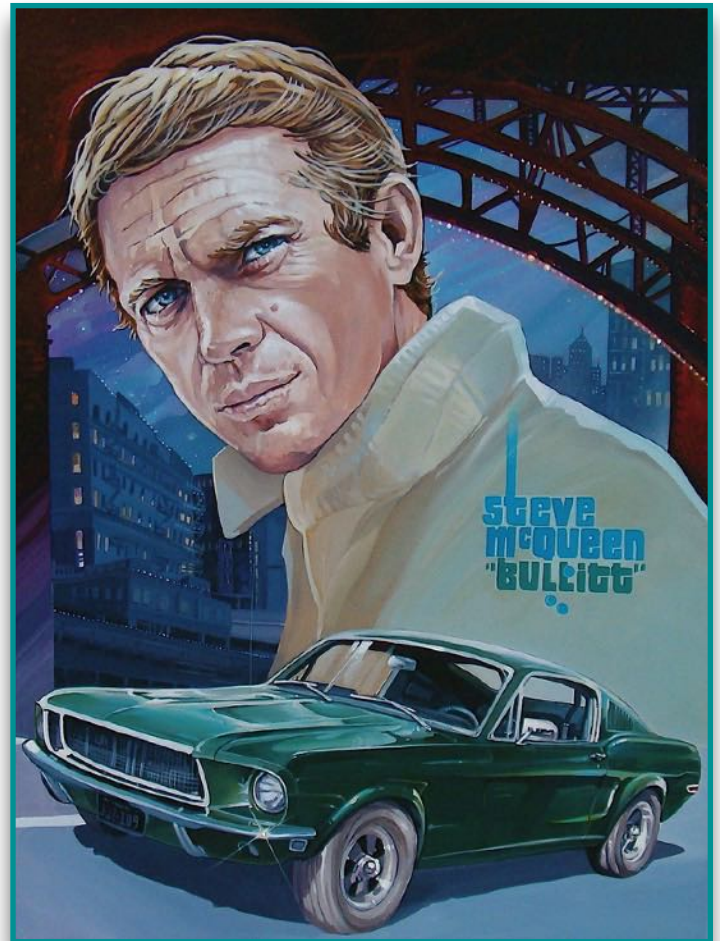

by Rob Skinner

It's almost that time again, time for the Friends of Steve McQueen Car Show! If you've never attended this annual event, it's at the Boy's Republic, in Chino Hills. The theme of the show is "On Any Sunday," one of Steve's movies about motorcycle racing. You can expect to see some motorcycle riding at the show. This year will have more dragsters and funny cars, as well.

WAPA will be in our regular location, along the first baseline next to the baseball diamond. After you enter the school and check in, just keep driving. We're at the opposite end of the school, where all the spectators will be entering. When unloading, do not block the road. The same rule applies when we're loading up at the end of the day. Don't block the road.

If you want to set up on Saturday, show up any time after 8:00 a.m., and make sure you're done by 2 p.m. It's much quieter and casual on Saturday.

Directions: From the 71 and Grand, go west on Grand. Turn south on Boy's Republic Drive. Follow the signs through the campus.

Albert Antonucci, sadly passed on March 22, 2022.
He was a great husband, father, grandfather, uncle, friend
and mentor. He is survived by his three children, Steven, Sheila
and Tony, and his numerous grandchildren. He will be greatly missed.

There will be a service held in his honor on Saturday, June 4th, 2022.
Service will be at 11:00 am, and followed by a luncheon at 12:00 pm.

Located at:
9176 Rochester Rd.
Phelan, CA 92371

*Let not your hearts be troubled; believe in God, believe also in me.
In my Father's house are many rooms; if it were not so, would I
have told you that I go to prepare a place for you? And when I go and
prepare a place for you, I will come again and will take you to myself,
that where I am you may be also. And you know the way where I am going.*
John 14:1- John 14:4

Upcoming events

**Perris Truck Show
by Ron Haskell**

WAPA was well represented at the Perris Truck Show this year with at least 17 members and 12 engines, one tractor and one truck on display. Weather was great, and the location was our usual spot. It seemed the vendors in the swap meet area were a little less than in the past, antique trucks about the same and the crowd of spectators a little smaller too, still a lot of people looking at our engines and asking questions. Perris Truck Show is a good one to attend.

LaVerne Car Show March 26, 2022 by Lance Wilson

It was great to be back at the La Verne Cool Cruise Car show. This is one of the busiest shows for WAPA with crowds asking questions all day long. The highlight of the event was Bill Karp's corn shelling display. Most people had never seen old-time farm equipment working. With plenty of hot water on hand, Jim made himself a nice omelet in a bag. Special thanks go out to Mitchell for all his tireless efforts in making this show happen. See everyone next year.
